A screenshot of a Windows desktop environment. On the left, a Notepad window titled "Untitled - Notepad" contains a list of serial numbers for various Macromedia software products: FIREWORKS MX, DREAMWEAVER MX, COLDFUSION MX, STUDIO MX, and FLASH MX PROFESSIONAL. The number "63582" in the first line is highlighted in blue. On the right, a "Macromedia Product Activation" window is open, showing a "Buy" button and a "Continue" button. A large, bold, black text overlay is positioned over the activation window, reading: "To check if it worked it worked all you have to do is type it in at the end there should automatically be a red cross or a green tick". The desktop background shows a photo of a cow's legs. The taskbar at the bottom includes icons for Internet Explorer, Google Chrome, and the Macromedia logo. The system tray shows the time as 14:10 and the date as 30/05/2011.
